2023 年法鼓山以「**福慧自在**」为年度主题，邀请大家来「修福修慧，大家平安健康；六度万行，人人身心自在。」能调整观念安心、安身，就是修慧；能运用方法安家、安业，就是修福。圣严法师说，修福报就是修慈悲心，利益众生；修智慧就是断烦恼，助人离苦得乐。福德与智慧是一体的两面，缺一就无法平衡，福慧并行，幸福人生才能久长。我们如果能以四安——安心、安身、安家、安业，来待人处事，便能福慧自在，不仅自安安人，更能自利利人。

Theme of the year 2023: **Blessings and Wisdom - The Way to Freedom**

To be able to adjust one's mind and body is to cultivate wisdom; to be able to use practice methods to secure one's family and career is to cultivate blessings. Master Sheng Yen said that cultivating blessings means cultivating compassion and benefiting all beings; cultivating wisdom means cutting off afflictions and helping others escape suffering and gain happiness. Blessings and wisdom are two sides of the same body, there will be no balance if one of these is missing. Only when blessing and wisdom go hand in hand, can a happy life last forever. If we can deal with people and things with the four kinds of security - peace of mind, body, home, and career, we will be able to be blessed, intelligent and at ease.
